the Noise!

**Meet with Ned Huntley & Laura Hanson of the DPW
and Angela Plassman, Ward 3 City Councilor**

Thursday, June 10

7:00 PM @ Bridge Street School

Topics: Truck traffic on our side streets,
Replacing our trees, Repairing our sidewalks and streets.

(Please see other side)

From Councilor Plassman -- Good news for North Street area residents!

Since taking office in January as the City Councilor for Ward 3, I have heard from many constituents on North Street, and surrounding streets, in regards to the deplorable condition of the roads.

The concerns that have been expressed to me include: the general condition of the roads, sidewalks, traffic calming, truck traffic and most recently, the number of trees that were removed by National Grid.

Given that there are plans to address the condition of North Street in the upcoming fiscal year, (July 2010-June 2011), I thought it would be best to start the planning process by scheduling an informational meeting with the Department of Public Works and all the residents.

I have asked the DPW to meet with you and hear any suggestions for improvements. After much patience on your part (thank you!), I am pleased to let you know that I have been able to finalize a date with Ned Huntley and Laura Hanson from the DPW. I have also asked Felix Harvey, DPW liaison to the Tree Committee, to attend.

The meeting will be Thursday, **June 10th at 7:00 p.m.** at the Bridge Street School. If you have any suggestions as to additional city representatives who should attend, please let me know and I will reach out to that person.

Please pass this information along to anyone who might be interested. I'd like to have as much feedback from the neighborhood as possible. I look forward to working toward a much-needed new and improved North Street area that we all can be proud of.

As always, should you have any questions or concerns, please contact me.
Angela Plassmann, Ward 3 City Councilor
