- b. Area Description (use additional paper, if necessary):

The area of the two parcels combined is approximately 5 acres. There is an intermittent stream that flows from the north, through a culvert under the new bike path. The stream is also fed by the storm drain system on Northern Avenue, which flows into the swale adjacent to the bike path. There are bordering vegetated wetlands associated with the intermittent stream. The wetlands are degraded with masonry and other construction and road building debris, as well as invasive plant species.
